Budapest, 8th March 2013

Dear Mr. President,

I refer to the telephone discussion we had today. I appreciate having the opportunity to give you personally information about the process and the content of the modification of the Fundamental Law in Hungary.

I should like to confirm the full commitment of the Hungarian Government and of the Parliament to the European norms and rules. I should like also to assure you that this commitment has been and is going to be reflected throughout the process of adopting the modifications to the Fundamental Law.

I am convinced that I can rely on your personal support and on the cooperation of the European Commission.

Yours faithfully,

ORBÁN Viktor
