**DUTIES AND RESPONSIBILITIES**

Under the direct supervision of a Finance Officer, SSC/Budapest, the incumbent will process invoices in Oracle Accounts Payable. In particular, will:

- process approved salary advance forms for all types of advances (except travel) to staff members for entitlement related payments, ensuring they have been prepared in accordance with FAO Rules and Regulations and ensuring consistency with previous related actions;
- process payment request forms (prfs), including supplier invoices, electronic prfs for consultants and uncommitted invoices (translators, interpreters), matching to purchase orders or distributing directly to accounts provided by the budget holder, and expense claims for entitlement related advances such as education grants, ensuring the prfs are prepared in accordance with FAO Rules and Regulations;
- review banking instructions to ensure there is sufficient information to allow straight through processing of payments;
- check accuracy of calculations specifically for education grants advances and claims, budget codes and compliance with procedures;
- process payment requests for advances against Terminal Emolument and Separation Payment Scheme (GS staff HQ only) entitlement; ensuring they have been prepared in accordance with FAO Rules and Regulations;
- liaise with Human Resources and other divisions to ensure all clearances have been received for final payments of terminal emoluments;
- convert requests for payments to staff members into the correct currency using the applicable exchange rate in accordance with the FAO rules and regulations;
- respond to enquiries by e-mail, telephone or in person regarding invoice processing and related payments;
- report to the Supervisor any irregularities, discrepancies from existing regulations on expenditure which are unauthorised and inadequate documentation justifying basis of payment;
- review on a weekly basis the unapproved invoices report to verify that invoices inserted have been validated and to follow-up on invoices put on hold to ensure that they are paid promptly;
- maintain logs of requests received and processed in order to enable the Finance Officer to monitor the workflow and backlog;
- raise journal vouchers to adjust code expenditure due to input errors;
- perform other duties as required.
