**Draft International Agreement with the Russian Federation - Communication
pursuant to Article 103 of the Treaty establishing the European Atomic Energy
Community (Euratom Treaty)**

Dear Commissioner Oettinger,

As notified to the Commission at the Brussels Meeting on 26 November 2013, the government of Hungary intends to enter into an international agreement with the government of the Russian Federation on the cooperation in peaceful use of nuclear energy.

The government of Hungary hereby communicates the draft of the international agreement to the European Commission in accordance with Article 103 of the Euratom Treaty.

The draft is the result of complex and constructive negotiations with the Russian Federation and having taken into consideration the comments obtained from the Commission. The contractual parties intend to sign the international agreement within short time.

We thank you for the open and constructive dialogue.

Sincerely,

János Lázár

State Secretary

in Charge of the Prime Minister's Office
